Sunday School

(Deut. 6:6-8)

“Teaching the hearts of children to hear, share and live the Gospel of Christ.”

Dear Dads and Moms,

On behalf of the teachers and assistant teachers I would like to invite your child or teen to once again be involved in our Sunday School program for 2007-2008.

The registration process is a foundational component of our Risk Management Program here at Grace, and so we ask that you take the time to register your children not only for Sunday School, but for all the youth programs that will be starting in the Fall. We will begin to register students for **Sunday School** and all Youth Programs on **Sunday, September 9th** during the all church Ministry Fair. We're attempting to streamline the registration process so parents who have already registered for 2006-2007 need only to stop in and update their forms. Parents who have not registered a child for last year's programs will be able to complete a single form to register their children, infants through 12th grade, in the Nursery, Sunday School, Hosanna Kids!, Pioneer Club, Boy's Brigade, and Youth Groups.

We will also have an orientation for Parents of Sunday School students on Sunday, September 16th immediately following the 1st service to complete registration forms (for those who were unable to attend the Ministry Fair), and introduce students to their teachers. On that Sunday the 3 and 4 year olds through the 8th grade will begin Sunday School. 9th through 12th graders (who will be at a retreat at Camp of the Woods) will begin their Sunday School classes on Sunday, September 23rd. Students will be dismissed to their classrooms from the sanctuary. Classes will end at 10:45 am.

On September 9th as well as September 16th there will also be an opportunity to sign up your family to participate in the Bible Memory Program. We strongly recommend that your entire family participate in the Bible Memory Program.

We look forward to seeing your child or teen participating in Sunday School this year. If you have any questions about the program please feel free to give me a call at 382-2288 or email me at karenwes86@yahoo.com. I would be pleased to answer your questions.
